

DMYC FACILITY RENTALS

As we approach wedding & graduation season, there have been a number of inquires in regards to renting the DMYC Ballroom & reserving the Lounge. See below for some quick info about our facility reservations/rentals.

Lounge Reservations

- No Cost
- Available for member events only, not available for a member-sponsored event
- 40 person capacity
- Any member may use the Lounge at any time, regardless of if there is a reservation or not. (Of course, we ask that the membership treat the reservation with respect and, of course, are not entitled to the reservation food, drink & activities; but even when the Lounge is reserved, any member may use the Lounge at any time.)

Ballroom Rentals

- Different days have different fees (Sunday to Thursday are less expensive than Friday & Saturday).
- There are different types of rentals - Member Use, Immediate Family Use, Member Sponsored & Community Relations. The rental fee depends on the type of rental.
- There is a \$250 refundable damage deposit.
- There is a \$200 non-refundable cleaning fee.
- The Ballroom Rental is for the day of the event until noon the following day (for clean up).
- In order to set up for the event a little early, you may rent the night before for \$150-\$200 (depending on the day of the week of the rental).
- When sponsoring an event, the sponsoring member must be in attendance at all times, from set up to clean up, for liability purposes.
